Blood Bank Technician · Vacancies: 2

Alagappa Multispeciality Hospital, Karaikudi, is establishing a licensed Blood Centre. Applications are invited from qualified and committed candidates for the above full-time position.

Department	Blood Centre
Reports to	Medical Officer in-charge, Blood Centre
Qualification	Any one of the following: • Degree in Medical Laboratory Technology (M.L.T.) with 1 year of experience in blood banking • DMLT with 1 year of experience in blood banking • B.Sc. in Hematology and Transfusion Medicine with 6 months of experience • M.Sc. in Transfusion Medicine with 6 months of experience • PGDMLT or PGDMLS with 6 months of experience in testing of blood and/or its components in a licensed blood centre
Experience	As stated against each qualification above
Registration	Registration with the appropriate council, where applicable
Employment	Full-time · Consolidated salary · Rotational shifts including nights
Vacancies	2

Purpose of the Role

To carry out blood collection, testing, component preparation and storage accurately and safely, following approved SOPs.

Key Responsibilities

- Assist in donor screening (haemoglobin, weight, BP) and perform phlebotomy.
- Perform ABO/Rh grouping, antibody screening, cross-matching and Coombs tests.
- Perform TTI screening tests (HIV, HBV, HCV, syphilis, malaria) and record results.
- Prepare blood components (PRBC, FFP, platelets, cryoprecipitate) and label them correctly.
- Monitor storage temperatures, refrigerators, freezers and platelet agitators; log readings.
- Maintain stock, track expiry dates and keep inventory registers up to date.
- Run daily quality control, operate and maintain equipment, and record calibration.
- Maintain all registers and records required for licence inspection.
- Segregate and dispose of biomedical waste as per rules.
- Assist at outdoor blood donation camps.

Skills & Attributes

- Hands-on blood bank laboratory skills
- Attention to detail and strict SOP adherence
- Willingness to work shifts and attend camps

General Conditions

- Qualification and experience must meet Schedule F, Part XII-B of the Drugs and Cosmetics Rules, 1945 (as amended).
- Registration with the appropriate council, where applicable.

- The selected candidate will be named as licensed technical staff in the Blood Centre licence application and must be willing to remain in service through the licensing and inspection process.
- Remuneration: consolidated salary, commensurate with qualification and experience.
- Place of posting: Alagappa Multispeciality Hospital, Karaikudi.
- Shortlisted candidates will be called for interview. The management's decision on selection is final.
